

ENTERTAINMENT / LIVING HISTORY RISK ASSESSMENT TEMPLATE 2019

Please tick the appropriate column below to indicate 'Yes' or 'No'.

If you have answered 'No' to any of the below, please ensure you have included adjustments you have made in the further risks section of this assessment.

SER	Risk Assessment	YES	NO
1.	All staff involved with the load in and out of the performance space have been advised over manual handling good practice and are capable of setting up the technical aspects unassisted and without excessive physical excursion.		
2.	Any combustible materials within the space which could promote fire spread beyond the point of ignition have been identified and reasonable measures have been carried out to reduce the risk of them being involved in an incident.		
3.	All aspects of the performance space are secure when displayed and covered by a manufacturer's warranty and/or safety certificate. Copies of this documentation will be available to view during the event.		
4.	All merchandise items for sale (if previously agreed only) are compliant with trade standards, trademark requirements and all other merchandising and special licensing.		
5.	I am fully aware that I must not sell, promote or demonstrate with prohibited items on site i.e. active or deactive weapons, Nazi/SS memorabilia, livestock, tobacco products, radar equipment, age restricted products or items deemed unsuitable by The Tank Museum, MoD or Police.		
6.	Where electricity is required, all of my equipment has been PAT tested and cables will be kept well away from the general public pathway. I am aware that it is my responsibility as the contractor to provide my own extension leads.		
7.	I have sufficient bin bags for refuse and will leave my pitch space as found. Please note that the museum bins should not be used to discard of your rubbish.
