## TANKFEST

*Prices cover entire weekend – Friday 23<sup>rd</sup> June – Sunday 25<sup>th</sup> June 2023 inclusive.*

Following trader feedback at Tankfest 2022. Trading & exhibiting spaces for TANKFEST 2023 are hardstanding only or inside. This is in order to create a designated trader area which allows not only for more traders on site, but a bigger and more strictly curated living history and entertainment area.

Whilst traders & exhibitors are welcome to bring their own gazebos/marquees, the museum realises the cost implications are higher for individual hire due to their required weights, delivery etc and are therefore offering to hire in large marquees for this event, divided into smaller trade stands to save costs. These costs are purely to cover the cost of the structures on a not-for-profit basis.

Each cross hired stand will be:

- 6m depth
- Width of multiple sizes (however these must go up in 3m segments)
- Will include scaffold sign holders and bespoke made signs (all of the same style) with your trade stall name on, provided by The Tank Museum
- Have vehicular access for storage from a rear bay

*Costs for this option are highlighted below.*

### **TANKFEST TRADERS & CATERERS (OUTSIDE)**
