THE WORLD'S BEST DISPLAY OF HISTORIC MOVING ARMOUR RETURNS FOR THREE EXPLOSIVE DAYS IN JUNE!

Every year, 24,000 visitors come to Dorset for three full days of tank action, with live displays, battle re-enactments, demonstrations, and living history.

With the site open to ticket holders for 9 hours each day, sponsors get excellent exposure throughout the weekend.

The TANKFEST site includes many sponsorship opportunities, from putting your branding on the shop marquee or fencing at the Admissions gate, to displaying video adverts on the big “Tank TV” screens in the Main Arena, Stage, and Bar areas.

With TANKFEST live-streamed on The Tank Museum and World of Tank’s YouTube channels, Twitch and social media, sponsors with branding on the grandstands and Kuwait Arena will get massive worldwide reach – the livestream of TANKFEST 2022 has had nearly 2 million views to date.

TANKFEST AREAS

TANK TV ADVERTS

Do you have incredible video adverts that you'd like to share with an engaged audience? "Tank TV" shows close-up and historical footage to visitors within the arena, as well as in screens beside the Café, bar and picnic seating areas.

Between each show segment there are opportunities for sponsors to advertise to this highly engaged, captive audience, while they are enjoying their lunch or waiting for the next part of the display to start.

TANKFEST UNLIMITED VIP HOSPITALITY OFFERING

By sponsoring the premium hospitality offering, you are getting in front of TANKFEST's highest spending visitors.

This sponsorship includes branding all elements, from the emails they receive, the lanyards they will be wearing around the site, and the VIP grandstand itself. As TANKFEST is live streamed on The Tank Museum's and title sponsor 'World of Tanks' channels as TANKFEST Online, your branding will be seen by millions around the world.

GRANDSTAND SEATING

As well as the hospitality offering, TANKFEST visitors can choose to upgrade to a grandstand seat. Branding the grandstand will ensure you are seen by all the visitors on site, and via TANKFEST Online.
